Boozhoo, Welcome to the school year 2020.

We are happy to be able to offer in-person learning as well as distance learning to those families that are choosing distance learning. The two learning models are not the only changes that we have at OPCS for this school year. We have several new staff members, we will highlight them in future newsletters.

Our students are adjusting quite well to the many changes that we needed to implement- It isn't easy to wear a mask sometimes, but they are real troopers and doing a great job!

Some important FYI's:

- \*Parent Committee Meeting September 30 at 5:00 pm
- \* NO School on October 9 Staff in Service
- \* NO School on October 15 &16 MEA
- \*October 26 Picture Day at OPCS more info to come soon.

\*Reminder: if your student is going to be absent PLEASE call and let us know.

\*If you are a DL family that picks up lunches and you are not able to pick up lunches on a particular day PLEASE call by 9:00 to avoid wasting containers and food.

\*If your student has wore OPCS masks home please make sure they are brought back to school -we can wash them. Or you can wash them at home for them to wear back to school. We do have extra masks here but we have a long school year ahead of us and want to make sure we have enough for everyone that needs masks all year long.
