October 9, 2015

Oshki Ogimaag

Students and Staff

Would like to share the harvest of our school
garden!

Come and share our

Harvest Feast and celebrate
Indigenous Day!

Monday, October 12

5:00-6:00pm

Oshki Ogimaag Cafeteria

There will also be a
Parent Committee Meeting
@5:30!

It is getting colder outside-Make sure
y your student has warm clothing and
b boots to wear for recess and other
o outdoor activities.

OOCs will excuse an absence for the following reasons: illness, medical/dental/counseling appointments, serious illness in the student's immediate family, death in the family, physical emergency conditions (fire/flood, etc.) family emergencies and ceremony or religious observances. In order for the absences to be excused, the school office must be contacted by a parent either by telephone, email, or sending a note with your child the next day. If the school is not contacted the absence will automatically be unexcused. Call 475-2112 or email businessmanager@oshkiogimaag.org. We appreciate your support for education!

More Important News

K-1 NEWS- Mr. Keith- The class has been learning about commas, the word "and" why we use this special word while writing. Part of our writing has been focused on completing a sentence and what a full sentence looks like. In math we have been working on adding numbers, counting by fives and finding patterns around us. The class has gotten a chance to work hands on learning about mixing together colors and exploring our art supplies to learn about the color wheel. Our primary colors are red, yellow and blue, when we mixed these colors we found out how to get orange, purple and green. We have been reading a lot of books that revolve around family and what makes a good friend. Being able to solve disagreements has been a main idea in establishing friendships. A major theme in these books involve being able to talk about our feelings with trusted adults to work out issues we may be having. Remember that this next week is a short one being only three days long.

2-3 NEWS- Ms. Nikki

---Ask your 2nd or 3rd grader about the week---What did we bake???
What did we do Friday afternoon??? **What happened in the book we are reading???**

4-5 NEWS- Ms. Joyce

The class wrote a letter to three community members for food donations for the Harvest Fall Feast for October 12 at 5pm. The Class asked for smoked fish, moose meat and partridge. And if anyone else has traditional food please let our school know if you'd like to donate.

The students continue to practice with writing, spelling and reading. The class is working with a Math computer program called Oddysey.

In Social Studies the students will start with the History of USA.

On Wednesday the class went on an outing to Cuff's Lake to plant wild rice. The students helped throwing the seedings into the lake. Couple students mapped out the existing wild rice. It was an enjoyable time being out in the woods and lake.

Friday, October 9, 2015 the 4th and 5th will help harvest the school garden up in Mineral Center. The vegetables gathered will be eaten at the Harvest Feast.

OOCs has been selected to participate in the Fresh Fruit and Vegetable Program (FFVP) for the 2015-16 school year. The FFVP is funded by the U.S. Department of Agriculture and is administered by the Minnesota Department of Education. A fresh fruit or vegetable snack will be provided for students approximately 2-3 times per week. Snacks are each afternoon. The FFVP is an excellent way to enhance other wellness programs in the school that promote health, nutrition, and physical activity. The main goal of the FFVP is to increase the fruit and vegetable consumption of elementary school children. In addition to providing fresh fruits and vegetables, another goal of this program is to provide nutrition education to the children. Please continue to talk with your children about the healthy choices they receive at school.
