November 2, 2015

It is getting colder outside-Make sure your student has warm clothing and boots to wear for recess and other outdoor activities.

OOCs will excuse an absence for the following reasons: illness, medical/dental/counseling appointments, serious illness in the student's immediate family, death in the family, physical emergency conditions (fire/flood, etc.) family emergencies and ceremony or religious observances. In order for the absences to be excused, the school office must be contacted by a parent either by telephone, email, or sending a note with your child the next day. If the school is not contacted the absence will automatically be unexcused. Call 475-2112 or email businessmanager@oshkiogimaag.org. We appreciate your support for education!

More Important News

K-1 NEWS- Mr. Keith- Recently our class has been diving into writing with everyone creating a short story about their family. We have been writing about who we live with, how big our families are, and what we like to do together. In our writing we are practicing some of the skills we have been learning about to be great writers. Where a period or exclamation mark goes, where we start sentences, keeping our words within the lines and neat handwriting have been fun to practice! We have been introducing ourselves and counting to ten in aniishinaabemowin, check to see if your student can introduce themselves to you. Our class has been excited about Halloween festivities, with lots of writing, art, songs and math revolving around pumpkins and bats.

With our writing project we have been asking a lot of questions about family, our class wants to include in our stories: what our clan is, what our family likes to do together and what some of our family traditions are. If you can fill out our questionnaire in your students folder that would be a big help.

2-3 NEWS- Ms. Nikki Second and third graders started a trail camera project with trust lands a few weeks ago. We are excited to find out what animals we are capturing on our camera.

Our project theme is Forests of Grand Portage

We have been getting ready for the environmental inquiry fair by writing about our sweet grass project and the trail camera project.

Reading Learning Target:

I can practice a book for fluency.

Spelling:

I can spell long e words.

I can spell ending consonant blends.

Writing:

I can help my friends by giving them good suggestions about writing.

I can use my friends' suggestions to make my writing better.

2nd grade math:

I can use fact families to help me learn subtraction facts.

I can use addition to check my subtraction problems.

3rd grade math:

I can use fact families to help me solve number stories.

I can identify what I know in a number story.

I can use addition to check my subtraction problems.

Thanks to all the families that came to our fall feast a few weeks ago and to our Halloween Party last week.

Our Environmental Inquiry Fair and Quarter 1 conferences are coming up next Thursday, November 12th from 4:00-6:00. I look forward to seeing you there and discussing your child's work at school so far.

4-5 NEWS- Ms. Joyce Grades four and five are working hard learning about recycling and why people should recycle and the harm it does to our earth when we do not recycle. They will be sharing the information they have learned at the Environmental Fair on the 12th. Come and see and hear about it and what they plan to do next in the world of recycling. They have also been writing in their journals and taking timed tests in math. You will be able to see their progress at Parent Teacher Conferences the night of the 12th.
