*****If you have not already sent back the Family Survey please fill it out and send back to us- Your opinion is important. Thank you*****

Remember to tune into WTIP to listen to school news.

Students from Oshki help prepare the news and then they take turns reading it on the radio!

Have you been missing the school news? Log into the WTIP website and listen to episodes previously aired.

Please remember to send appropriate outdoor clothing with your student **every day.**

Our playground is wet but the fresh air is so important so we try to get outside as much as we can. We do not have extra clothes for kids that get wet.

More Important News

K-1 NEWS- Mr. Keith- Ask me about my class fieldtrip to the ACA in Grand Marais.

Ask me about our class project for the Science Fair.

Do you know what we planted at school this week?? Ask me and I will tell you all about it.

2-3 NEWS- Ms. Nikki -The second and third grade are going strong into the last quarter of school.

The kids are working on test taking strategies to help them with the up-coming MAPS tests. These tests are only a snap shot of what your child can do but they are also important to the evaluation of our school's progress. Please encourage your child to do his or her best on these tests.

We have been reading paddle to the sea and the third graders are sharing the task of carving their boats and paddle person with the second graders. We are using our background knowledge and the context of the book to figure out new word meanings.

The staff has been working hard to plan several special events toward the end of the year. We are looking forward to bike safety classes, a track and field day, and our end of the year fishing day after graduation all coming up in May. The science fair will be Thursday, April 21st. I am excited to have over half of the class completing science projects at home as well as the projects we are doing at school. Judging will be held during the day on Thursday, April 21st so please make sure your child's project is at school by Thursday morning. Please let me know if you need anything for your child's project after spring break. See you in a week!

4-5 NEWS- Ms. Joyce – Ask me about my D.A.R.E. report and interview. Ask me about the Science project we are working on at school and about our class field trip to Grand Marais-guess what we made when we were there!

Guess what we planted at school this week. Ask me how our plants are doing in the green house. How about the ones growing in the milk jugs.

We have been very busy this week-just ask me and I will tell you all about it!
