- At least one licensed teacher employed by the school,
- At least one parent or legal guardian of a currently enrolled student, and
- At least one community member who resides in the state of Minnesota.

Non-Majority Board Requirement

Balanced Representation Requirement

The Board of Directors shall be composed in a manner that ensures **no single membership category**—including licensed teachers employed by the school, parents or legal guardians of enrolled students, or community members—**shall constitute a majority** of the voting Board at any given time. This structure supports balanced representation, reduces conflicts of interest, and promotes collaborative governance. The Board shall monitor composition when recruiting, nominating, and electing new members to maintain this balance, consistent with Minnesota Statutes §124E.07 and the school's charter contract.

Teacher Member Qualifications

The teacher member must be employed by the school as defined in Minn. Stat. §122A.16, either:

- As a teacher of record in a subject area for which they hold a valid Minnesota teaching license, or
- As a provider of direct services to students for which they are licensed.

The teacher member may not serve in an administrative or supervisory role for more than 240 hours during the school calendar year.

Community Member Qualifications

No Board member may:

- Serve simultaneously on the Board of another charter school in either an elected or ex-officio capacity, per Minn. Stat. §124E.07, Subd. 3(h).

All members must comply with state conflict of interest statutes, the school's charter contract, and Board policies.

Adopted 08.13.2009

Revised 01.2015 and 04.26.2018 and 09.21.2022 and 05.18.2023

and 04.17.24 and 05.14.24 and 05.21.25

Ex-Officio Membership

In compliance with Minn. Stat. §124E.07, Subd. 3(d), the only school staff permitted to serve as a non-voting (ex-officio) member of the Board is the school's chief administrator. This individual must be employed directly by the school and may not serve in this capacity as an independent contractor. No other staff or individuals may serve on the Board in an ex-officio role.

Section 3. Term of Office. Each newly elected Director shall hold office for a three (3) year term or until a successor has been duly elected and qualifies, or until the Director dies, resigns, is removed or the term otherwise expires. Directors so elected shall serve a term beginning July 1st. after the election. The election of the Board of Directors shall be in compliance with Section 124E of the Minnesota Charter School Law.

Each Director shall serve a term of three (3) years and may serve no more than three (3) consecutive terms. A Director who has served three consecutive terms must step down for at least one (1) year before becoming eligible for re-election. Partial terms of one year or less shall not count toward the term limit.

Section 4. Nomination Process. Candidates for Board positions must be presented to the Voting Membership through three procedures. (1) The Board presents a list of candidates with at least as many candidates as the number of open positions. This may be generated through a Nominating Committee or another Board process and printed on the ballot. (2) Candidates may be nominated by any voting Member, including the candidate, and printed on the ballot. (3) At each Annual Meeting, prior to the election, there will be three calls for nominations from the floor. The nominator may not be the candidate. If nomination(s) are received, and the candidate is present, and if the candidate accepts the nomination; the candidate's name shall be a 'write-in' candidate counted in the same fashion as others.

Section 5. Resignation. Any Director of the Corporation may resign at any time by giving written notice to the Board Chair or Secretary. The resignation of the Director shall take effect upon acceptance of the resignation at the next regular meeting at which time a new member will be appointed to serve until the next Annual Meeting. Death of a board member shall constitute a resignation.

Section 6. Removal of Directors. (1) A Director may be removed at any time, with cause attributed to that Board member, by a majority of Board of Directors. (2) After three unexcused absences, a Director will automatically be removed from the Board. An absence is considered excused when a Director gives notice of that absence to either the Board Chair or the Secretary prior to the beginning of the meeting, or is given permission within a reasonable time after the

The appointed Director may choose to run for election.

When a vacancy on the Board exists mid-term, the Secretary must receive nominations for new members from present Board members in advance of a Board meeting. These nominations shall be sent out to Board members with the regular Board meeting announcement, to be voted upon at that regular Board meeting.

Section 8. Quorum and Adjourned Meetings. A meeting at which at least a majority of the Board of Directors is present shall constitute a quorum for the transaction of business at any meeting of the Board of Directors. If, however, such quorum shall not be present at a meeting, the Director or Directors who are present shall have the power to adjourn the meeting from time to time until a quorum shall be present. Notwithstanding the foregoing, if a quorum is present when a duly called meeting is convened, and later enough Directors withdraw from the meeting so that less than a quorum remains, the Directors remaining may continue to transact business until adjournment.

Section 9. Voting. Each member of the Board of Directors shall have the power to exercise one (1) vote on all matters to be decided by resolution of the Board. The affirmative vote of a majority of a quorum of Board members shall constitute a duly authorized action of the Board.
