# WELCOME TO OPCS!

This handbook is for parents and guardians of students attending OPCS. This handbook is intended to facilitate communication between your home and our school. It is our sincere desire to provide a safe and productive school environment and to work closely with our student's families to help ensure that our students receive the very best education possible.

Please review this handbook and keep it for future reference. Please discuss appropriate information with your child. If you have any questions or concerns about OPCS or your child's classroom, please do not hesitate to contact your child's teacher or the school director.

## OPCS Mission Statement

Oshki Ogimaag Community School's mission is to create a K-6 learning environment of excellence based on traditional teachings. Rooted in the Anishinaabe culture and language we will prepare students through hands on, community-based projects to become lifelong learners that reach their personal and academic potential; preserve the Anishinaabe language and culture; and contribute to the wellness of future generations.

### STATEMENT OF EQUAL OPPORTUNITY

OPCS is obligated under the law to provide equal opportunity for education and employment and, therefore, will not discriminate on the basis of race, color, national origin, creed, religion, sex, marital status, economic status, disability or age.

### HELPING YOUR CHILD SUCCEED AT SCHOOL

Parent and/or guardian involvement and support are critical to the educational success of each student. Prepare your child(ren) for each school day by seeing they get enough rest and are appropriately dressed for the weather. As partners in your child's education we provide a nutritious breakfast and lunch to students.

Please read to your child as often as possible and have them read to you. Aim for 15 minutes of reading each day. All children have access to books through the school library. OPCS runs a book exchange so that all families have access to free books to build home libraries. Please minimize the times your child is watching TV, playing video games or using the computer. All children need to be active, playing with other children, reading, talking and using their imaginations!

Communicate with your child's teacher whenever you have a question or concern. Volunteers are always welcome, please see our volunteer coordinator Sue Smith for a list of opportunities. Encourage your child(ren) to do their best and to share with you what happened during their day in school.

## ARRIVAL AND DEPARTURE

### Arrival

For safety reasons, children **must not** arrive before supervision is present.

Breakfast Served 8:00 A.M. -8:20 A.M.

School Begins 8:20A.M.

Dismissal 3:10 P.M.

Bus Departure 3:15 P.M.

### Late Arrivals

**Parents/guardians are responsible for making sure their child is here. If a child is not in the school by 9:00 am, s/he is tardy and must be signed-in the school office by the responsible adult.**

### Departure

Students are expected to leave the school grounds immediately after dismissal unless they are directly supervised by staff, parent/guardian or another adult.

### Early Release

Students who need to leave during the school day will be released directly to their parent/guardian. **The parent/guardian must enter the school to sign the student out in the school office.** If someone other than the parent/guardian is taking the child from school, we must have permission in writing.

### Illness or Injury During the School Day

If a student becomes ill or injured during the school day, the parent/guardian will be contacted if it is necessary for the student to go home. The above procedures will be followed for check out.

### Conduct Between Home & School

The child and the parent/guardian have the responsibility for each child's conduct and safety to and from school. Bus behavior rules must be followed or the child may lose transportation privileges. All parents are strongly urged to adhere to posted school speed limits.

If students are walking to school alone, please be sure s/he knows to never accept a ride or gift from a stranger and to stay at least 3 giant steps from any vehicle that stops near them. Students and adults are strongly encouraged to tell the school office if anything out of the ordinary happens on the way to/from school.

## ATTENDANCE AND ABSENCES

School attendance is very important. **Students who miss school, miss out.** Please follow our health policies in regards when students should be kept home. We understand and respect that family situations, special events or emergencies may require that students sometimes miss school. However, please avoid excessive absenteeism for non-health related reasons.

Please notify your child's teacher if you know in advance that your child is going to miss school. If you have not previously notified your child's teacher, **please call the school office no later than 9:00 am on the morning of the absence.** OPCS has a 24-hour voice mail system, and a message can be left at any time: **475-2112.**

Excused absences require a parent/guardian to notify the office in writing or via a phone call why the student is absent. It is preferred that this be done at least one day prior to the absence if possible. Once a student has accumulated 9 undocumented excused absences, any remaining absences must be documented (such as a note from a doctor), or they will be marked as unexcused. Any excused absences without documentation (such as a doctor's note) count toward this limit.

A parent has 24 hours from the time of the recorded absence to tell the office that the absence is excused. After 24 hours, the absence will be unexcused. It is extremely important that students and parents/guardians understand the importance of notifying the school of any student absence. It is the intent of the school administration to work in partnership with parents to ensure school attendance. Parents/guardians are strongly encouraged to minimize the number of excused absences. Any concerns or questions about this should be discussed with the Director. Excused absences should be limited to illness, medical or dental appointments, family emergencies, events such as funerals, legal appointments. Fatigue or undocumented medical excuses the day after a late return from attendance at an extracurricular activity is NOT an excused absence. "My parents or sister/brother are running late", or

“my car didn’t start” is NOT an excuse for being late to school. Once a student has accumulated 9 undocumented excused absences, any remaining absences must be documented (such as a note from a doctor), or they will be marked as unexcused.

Unexcused absences are anytime a student is not in class and there is no parent/guardian notification of excuse, and the absence does not meet the criteria of being exempt, or a student has exceeded 9 undocumented excused absences per semester without documentation. Truancy (deliberately missing school or a class without the knowledge of parents/guardians and without justifiable reason) is also an unexcused absence. Minnesota State Law states a student having 7 unexcused absences (1 or more class periods on 7 different days) may be declared truant and be required to appear in court. (M.S. 260.191, subd.1(b).(9).

### Truancy

Pursuant to state laws and regulations, students shall be in attendance each day that school is in session. The authority to decide whether an absence is excused or unexcused rests with the building director. Truancy, for purposes of this policy, is the absenting of oneself from school or class without the approval of the school. OOCS will process all truancy in accordance with Minnesota Law (Minn. Statute 260A, 260A.02, 260A.23).

Truancy reporting is based on cumulative days of truancy during any one school year. Unexcused absences count towards truancy. Any absences without parental contact with the school are considered unexcused and count towards truancy. Parents will be notified by mail after three days of truancy. Parents and Grand Portage Human Services will be notified after seven days of truancy.

### Pre-Planned Absences

For all appointments, please let the school know at least one day in advance. Trips and other scheduled absences should be communicated to the school as soon as possible and always in advance of the absence. In the event of a family emergency, please contact the school as soon as reasonably possible.

## **BEHAVIOR EXPECTATIONS**

During the school day, school staff has the responsibility for providing a productive and safe climate for learning. Every effort will be made to use positive approaches when a student displays unacceptable behavior. The teachers request parent/guardian support in enforcing appropriate behavior expectations.

Age-appropriate consequences will be considered for students. Teacher, Director and parent communication is a priority for discussing strategies for encouraging and reinforcing positive behaviors.

### The Pupil Fair Dismissal Act

Behavior expectations, consequences and procedures are in accordance with The Pupil Fair Dismissal Act of 1974, Pupils— Suspension, Exclusion and Expulsion—Chapter 572. Information outlining grounds and procedures for the suspension, exclusion and expulsion of a public-school pupil enacted by the Legislature of the State of Minnesota may be obtained from the office of OOCS. Oshki Ogimaag Charter School PO Box 320 Grand portage, MN 55605.

It is the school district ‘s policy to recognize the responsibility and accountability for student behavior to be the student ‘s and his/her parents/guardians.

## **BICYCLES**

Bicycle riders are expected to know and observe safety practices when riding to and from school. **THE USE OF A HELMET IS STRONGLY RECOMMENDED.** Bicycles must stay in the bike rack or a designated parking area during the school day. Students should wait for the school buses to leave before riding their bikes home. If a student does not follow safety rules and is deemed to be an unsafe rider, the parent/guardian will be notified, and the student may lose his/her privilege to ride a bike to/from school. Skateboards, roller blades, shoes with wheels, scooters or other mechanical wheeled devices are not allowed at school. This includes motorized radio-controlled vehicles.

## **BUS TRANSPORTATION**

Riding the bus is a privilege and a service provided to students and families by the school. Bus routes are available at the Open House or will be sent to the student's home. When a question arises regarding the schedule, call the school at 475-2112. The driver will make an effort to abide by the schedule but events beyond their control occasionally cause deviations.

### Behavior/Safety

The care and discipline of the children riding the bus is the responsibility of the driver. Extraordinary behavior problems will be referred to the School Director. For repeated misbehavior, a student may be suspended from riding the bus or dropped from the bus route entirely. In order to maintain an excellent safety record, students must follow these guidelines:

- \*Be on time.**
- \*Obey the driver's instructions.**
- \*Keep all body parts inside the bus.**
- \*Remain seated until the bus stops.**
- \*Be polite; profane language is not allowed.**
- \*Work together to keep the bus clean and safe.**
- \*Hazardous objects are not allowed on the bus.**
- \*Keep the noise level low.**
- \*To cross the street, walk in front of the bus and wait for directions from your driver.**

Students **must have** a note from Parent/guardian in order to get dropped off at a location different than his/her typical stop. Student drop off locations must be along the bus route. It is preferred that students bring notes to school for a bus change. Please do everything possible to avoid phone calls to school during the day to change a student's afterschool plans as this often creates confusion and interrupts the student and teacher's focus on academic tasks. Phone calls will be accepted if sending a note is not an option.

## **CAMERAS, CELL PHONES, HEADPHONES AND ELECTRONIC DEVICES**

Any and all such devices are not allowed. School staff members have the authority to confiscate any electronic device that is used during the school day. Any confiscated devices will be turned into the office. **Confiscated items will be returned at 3:00 on Fridays.** School administration has the right to hold electronic devices and wait for parent/guardian to pick it up. School staff will take great caution to prevent any loss of electronic devices OOCs is not responsible for any lost or stolen electronic devices.

## **CHEMICAL USE PROHIBITED**

In accordance with state law and local school district policy, **the ENTIRE SCHOOL CAMPUS IS AN ALCOHOL & DRUG FREE ZONE.** Any and all forms of drugs and tobacco products are prohibited on school property. The only exceptions are prescribed medications and tobacco used in school sanctioned ceremonies.

## **CHILD STUDY TEAM**

The Child Study Team meets monthly to discuss teacher concerns about individual students. The purpose of this team to give our professionals opportunities to share ideas and problem solve. Parents/guardians will be informed if the Team has specific suggestions or ideas that we feel will be of benefit to your child. If you have concerns about your child that you would like to discuss with the Child Study Team, please contact your child's teacher.

## **COMMUNICATION**

Communication between classrooms, teachers and parents is one of our highest priorities. Please call the classroom teacher between 7:30-8:20 AM or 3:15-4:00 PM or e-mail or contact the school Director when you have a question or concern. Our newsletters and our [www.oshkiogimaag.org](http://www.oshkiogimaag.org) website also provide current classroom and school information.

### SCHOOL ANNOUNCEMENT – AUTOMATED MESSAGING

School Announcements is an essential tool for notification and communication. Within minutes of an emergency, school officials can use this alert system to deliver a single, clear message to student's parents or guardians by telephone or e-mail. Parents can at any time during the school year update personal profiles allowing notifications of school closings and important messages to be sent to additional/changed phone number or email addresses.

### Parent - Teacher Conferences

Formal parent-teacher conferences will be held at twice a year. Please watch newsletters for conference dates. Additional conferences may be scheduled at any time during the school year by contacting your child's teacher.

### Newsletters and Homework

Please check your child's backpack daily for homework and reading logs- all students should read every day with a grown up. Newsletters are sent home twice a month, typically on Friday's- please ask your child about the newsletter. It can also be seen on the Oshki Ogimaag web site.

### **COMPUTERS & HEADPHONES**

Students will have access to computers in the classroom. Students will have access to approved sites on the Internet for curriculum based projects with adult supervision. Improper usage or website access will have consequences. No privately owned flash drives, CD's or programs may be brought to school and used on school computers.

### **COMMITTEES & TEAMS**

There are a wide variety of committees that strongly encourage parent involvement. Please see our School Website for a list of opportunities or call the school office.

### **DRESS CODE**

Students are expected to dress in a clean and appropriate manner, which will not create a distraction within the learning environment.

**\*Clothing advertising alcohol or tobacco products cannot be worn in school.**

\*Clothing with obscene slogans and messages which are inappropriate are not allowed.

\*Earrings or other jewelry that may pose a hazard to the student or others is not allowed.

**\*Containers of lipstick, hair spray, perfumes, deodorants, etc., are not allowed in school. These items, if used, must be applied at home.**

Any student who comes to school dressed inappropriately will be asked to change or be sent home. Any student who is sent home due to inappropriate dress will be charged with an absence.

It is a *very* good idea to place the student's name or initials on all clothing items especially outerwear. Students must have appropriate clothing to play outside.

### **EMERGENCY SCHOOL CLOSING**

#### Weather Related Closing

From time to time it becomes necessary to close schools due to bad weather. If weather conditions are not favorable, School closings will be announced on the radio stations WTIP (Grand Marais) and the Duluth television stations WDIO. Closings will also be posted immediately on [www.oshkiogimaag.org](http://www.oshkiogimaag.org). Parents will also be notified using School Announcement Instant Alert System. OOCS respects the right of parents to keep their child home if they have concerns about weather conditions. If you do not wish to send your child to school because of concerns about the weather, you may keep your child at home. Please contact the school office and let them know your decision per attendance procedures. This would then be an excused absence.

Please make sure that your child knows exactly what to do if there is an early school closing. We must also have a current **"Student Information Up-Date Form"** on file in the office. If the buses are not able to travel, children will be kept at school.

### **EMPLOYEE AND VOLUNTEER BACKGROUND CHECKS**

It is the policy of the OOCS Board to request a criminal history background check on individuals who are offered employment in our school, and on all individuals, who are offered the opportunity to provide extra-curricular services to our schools, regardless of whether any compensation is paid. Regularly scheduled volunteers will also have background checks.

## FIELD TRIPS

Field trips are recognized as having educational value. Trips are encouraged when they fit within the budget and curriculum. Parent/guardian permission slips must be signed and on file prior to a student departing on any trip away from the school campus. This does not include emergency evacuations.

## FOOD SERVICE/BREAKFAST, SNACKS AND LUNCH

Proper nutrition is a very important component of the learning process. As a participant of Community Eligibility Provision (CEP), breakfast and lunch are served to all students for FREE. We do still have paperwork for families to fill out, The Educational Benefits form helps us verify that we qualify for other state and federal funding and is very important to our school. These applications are available in the school office and are sent to all families in August.

The rates for adult meals are \$4.00 for lunch. Parents and other adults are encouraged to have lunch with their child. Please notify the school 3 days ahead of time if you will be joining us for lunch. Please remember, this is not a restaurant, but an opportunity for parents, guardians and grandparents to be involved in your child's education. Please sign in the office upon your arrival. Students may also bring a lunch from home. Please refer to the "Wellness" section of this handbook when planning your child's lunch items.

### Food Service Accounts

Student lunch accounts are financially managed by our Administrative Assistant. Those families that have a balance from previous year are still obligated to do so and should make arrangements to do so ASAP. Checks should be made out to "Oshki Ogimaag Charter School". Visiting adults may purchase lunch at the school prior to lunch.

## HARASSMENT POLICY

It is expected that everyone will be treated with respect and will treat others with respect. Harassment is defined as —the subjection of someone to continuous, irritating attacks, questions, demands, or other unpleasantness (name calling, threats, sneers, etc.).

### PROCEDURE TO BE FOLLOWED IN THE EVENT OF HARASSMENT

There are allowances for certain exemptions.

### Emergency Contact Information & Procedures

Each child **MUST** have current emergency information on file in the school building. If no one is available, the school will contact the proper authorities to meet the needs of the emergency.

### Child Physical / Sexual Abuse / Neglect

Children requiring use of inhalers in school may carry them if they have a signed doctor and parent/guardian permission form. (These forms are available at the local clinic or from the school nurse).

### Accidents

All accidents which are incurred by children when they are under the supervision of the school should be reported to the classroom teacher or staff member on duty. A parent/guardian will be notified the day of the injury in the event that the injury is considered serious.

- Sore throat – especially when fever or swollen glands are present. A throat culture is recommended to check for strep throat. Students with strep throat must wait 24 hours after medication has been administered before returning to school. If you choose not to medicate, the child must have a negative strep test prior to returning to school.

#### **HOMEWORK**

Homework is an extension of regular classroom programs and is an important part of your child's education. Please ask your child daily if s/he has any homework. If s/he does, please be sure your child has a quiet place to do the homework. Please talk with your child's teacher if you have any questions or concerns about homework expectations.

A newsletter is sent home the last Friday of the month. Please read these thoroughly as there is often much important information in them, as well as many fun and interesting news articles about things happening in our schools. Information in the newsletter is also available for viewing on the school web page.

#### **PARTIES OUTSIDE OF SCHOOL**

We know that out of school parties are exciting and fun for the students. However, they are too often occasions for children who are not invited to get very hurt feelings and these feelings make it hard for a child to learn. **Please do not send or hand out invitations during school hours to an out of school party UNLESS the entire class is invited.**

#### **REPORT CARDS**

Report cards are issued four times each year, approximately every nine weeks.

#### **TABACCO-FREE ENVIRONMENT**

#### **TELEPHONE**

Please mark your calendar with the testing dates as soon as they are announced in the school newsletter. We provide students opportunities to perform practice tests so that they know what to expect and remind them we only expect them to TRY their best.

#### **VISITORS**

Parents/guardians and grandparents are encouraged to visit our schools and participate in the educational process with their child. Parents/guardians must contact the teacher or school to arrange a visit to the classroom. There is a —Visitor Sign-in in the Office,

#### **VOLUNTEERS**

These forms also provide us permission to do Background Checks on our volunteers.

#### **WEAPONS, FIREWORKS, SHOCKING DEVICES, ETC.**
