

OSHKI
OGIMAAG

Oshki Ogimaag Community School

Adopted: 10/23/24

Revised: _____

POLICY No. _____

HEAD LICE POLICY

I. PURPOSE

The purpose of this policy is to clearly define OSHKI OGIMAAG CHARTER SCHOOL'S policy regarding exclusion for Head Lice.

II. GENERAL STATEMENT OF POLICY

It is the policy of **Oshki Ogimaag Charter School Board**, at the recommendation of our school nurse, that students with head lice be sent home from school (picked up by a parent/guardian) until all nits (eggs or empty shells are removed).

- a) Upon pick-up, parent/guardians can pick up lice treatment from Grand Portage Health Services across the street, at no cost to the family.
- b) Prior to readmission to school, parent/guardians will have their child checked at Grand Portage Health Services (the clinic opens at 8am), at no cost to the family. If no nits are found, student may return to school.
